So far, 177 countries and 44 international organizations have confirmed to participate in the World Expo 2010 Shanghai. Hereby introduce some pavilion as follows, all designed to echo the theme of the Expo 2010: "Better City, Better Life".

International Participants

UK (United Kingdom)

The UK Pavilion, 6000-square-meter, will look like a huge "light box" with thousands of needle-like protrusions which will extend from the structure and quiver in the breeze. The pavilion sits on a landscape looking like paper that once wrapped the building and that now lies unfolded on the site. Britain will also embed more than 60,000 seeds into the structure of its pavilion to urge people to protect natural species from extinction. Inside the pavilion there will be an exhibition about "bringing nature back into the city".
