

### **What is private tour?**

Private tour, compared of join-in tour or group tour, is designed for those (maybe yourself only, or with lover, or your family, or your friends exclusively) who don't want to travel with strangers. In each city, you will have a private English (German, French, Italian, Russian, Spanish or other languages) speaking guide, a private vehicle (with size in accordance with the group) and a licensed driver, at the service during your whole trip organized.

Private tour is the best way to make your trip extremely enjoyable for its advantages as follows:

#### **Personalization**

For your private tour, we'll custom the tailor-made trip for you, not only a tour of the tourist places but also your exact specifications, we'll try our best to cater to your special interests and create the perfect trip for you. Everything from which hotel you stay in to what kind of meal will be chosen according to your tastes, style and budget. You'll want your visit to be very personalized and that's what we do!

#### **Flexibility**

Although we will provide you a detailed itinerary, we will be very flexible according to your likes and dislikes from beginning to end. Your touring itinerary can be tailored according to your reasonable interest to cover any sites of interest not included on the group tours. As well as, you can decide not to visit some places you don't want to. There is no extra for this except extra entrance fee.

#### **More than sightseeing**

What we offer is not typical sightseeing tours. You'll see not only the famous sites, but also China's little-known hidden gems. You'll feel more oriented when the tour is over. More like an insider than a tourist. You will feel and know China!

#### **Interaction**

The private tour allows the opportunity for your questions to be answered and for in depth discussions of topics of interest with your accompanying foreign language guide. You'll feel as though you are being escorted around town by an old friend with a lot more fun!
